Species	Rustic Knotty Pricing			Radius Factors <i>More radius pricing (see Radius Section)</i> D
	Material Category			
	A	B	C	
Alder	Not Available	\$12.35	\$14.50	Not Available
Cherry	Not Available	13.00	15.70	Not Available
Hard Maple	Not Available	12.75	15.55	Not Available
Oak, Red	Not Available	8.50	10.15	Not Available
Pecan/Hickory	Not Available	9.55	11.80	Not Available

Premium Grade Upcharge

Add 35% to standard grade price. Flat panel doors ordered in premium get premium grade framing and standard grade panel.

1" Thick Material Upcharge

Add 30% to standard grade price for doors, and 20% for drawers. All species available in 1" thick except Bamboo.

Ordering both premium and 1"

The material upcharges are cumulative. Example: \$10.00 x 1.3 (1" upcharge) = \$13.00. \$13.00 x 1.35 (premium upcharge) = \$17.55.

Frame Only Doors

Refer to the "Frame-Only" page in the design option section when pricing.

Multiple Panel Doors

Multiply design charge by number of panels.

Conestoga Material Pricing Guide

November 1, 2009

All prices are per square foot.

Species	Quarter Sawn Pricing			Radius Factors
	Material Category			More radius pricing (see Radius Section)
	A	B	C	D
Oak, Red	\$10.10	\$16.30	\$20.65	Not Available
Oak, White	10.75	17.00	21.45	Not Available

Miscellaneous Materials	
MDF Material	\$1.60
NAUF MDF (No added urea formaldehyde)	2.75
1SGP MDF	2.95
Rigid Thermal-Foil	
Frosty White Matte	4.00
Frosty White Satin, Antique White Satin	5.50

Hybrid products are defined as a construction method using solid wood framing with a raw MDF raised or recessed panel. Hybrid construction is recommended when using opaque finishes such as Colourtones or Prism Paints as panels will not expand or contract and will not show stave lines after finishing. Hybrid products are priced utilizing the material charge of the chosen framing specie and design charge of the chosen wood door design. If NAUF MDF is chosen for hybrid products a \$1.15 upcharge per square foot will be applied.
