Cabinet Systems Information

1. **Cabinet Line** - Select between the Craftsman and Pioneer line by checking the appropriate box.
 - You may order wood shelves with the Pioneer line by checking the box with the asterisk.
2. **Specie** - Select among the species available by checking the appropriate box.
 - Red Oak and Cherry are Value grade for Cabinet Systems doors and drawer fronts. You may choose to upgrade to Standard or Premium grade by checking the appropriate box (custom material pricing applies).
 - Hard Maple, Soft Maple and Hickory are Standard grade for Cabinet Systems door and drawer fronts. You may choose to upgrade to Premium grade Hard Maple by checking the appropriate box (custom material pricing applies).
 - All door and drawer fronts carry custom design charges.
 - Cabinet front frames will be manufactured using standard grade material in all cases unless a custom front frame is ordered.
 - Not all door styles are available in every specie. See the Wood Doors and Drawer Fronts section of the Custom Product Manual for availability.
3. **Overlay** - Select among the overlay options by checking the appropriate box.
 - 1-1/4" and 1-3/8" overlays are available with 4 sided boxes only.
 - When hinges are selected, concealed hinge boring (pattern "A"-cup only) is included unless otherwise specified.
4. **Doors** - Select the style of the door by checking the appropriate box.
 - Please note there are separate columns for Wall and Base Door Designs.
 - If you are choosing a door style other than those listed, use the lower portion of the form to order custom door designs (custom material pricing applies).
5. **Drawer Fronts** - Select the style of the front by checking the appropriate box.
 - If you are choosing a drawer front style other than those listed, use the lower portion of the form to order custom drawer front designs (custom material pricing applies).
6. **Edge Profile** - Select the edge profile by checking the appropriate box.
 - The C edge profile is only available for the 1/4" overlay.
 - Please see the Custom Product Manual for edge profile and hinge drilling compatibility.
7. **Toeboards** - Check Yes if would like to order your cabinets with an individual toeboard for each cabinet, or check No to pass on this option. Please be sure to select one of the boxes.
 - Cabinets are priced without toeboards and carry an upcharge if toeboards are ordered.
8. **Drawer Boxes/Drawer Slides** - Select 3-sided or 4-sided drawer boxes by checking the appropriate box.
 - 3-sided drawer boxes are only available in 1/4" and 1/2" overlays.
 - If you choose 4-sided boxes, you must choose one of the options that are listed.
 - Notching for undermount slides is only available on assembled 4-sided boxes.
 - Side mount slides will replace selected slides as appropriate for specific cabinets.
 - Natural Birch is the standard specie for drawer boxes. Hard Maple, Soft Maple and many alternative species are available, upcharges apply.

Custom Door and Drawer Front Information

- Use this section if you are ordering any door or drawer front design that is not listed on the upper portion of the quote request form.
- See our website for a listing of the available [panel raises](#), [edge profiles](#), and [framing beads](#).

Options

- Please indicate any special options that pertain to the entire order in this area. Finishing (for doors and drawer fronts) may be entered here.
- Indicate if you want cabinets, door and drawer fronts, or all parts finished.
- Select finish and glaze combination. See our web site for samples of various combinations.
- If you are unfamiliar with Hinge Drilling, leave this blank and we will discuss this when we review your order.

Ordering Cabinets

- Specify the quantity for each cabinet and write the Cabinet Code Number in the boxes provided.
- Use the [Wall](#), [Base](#), [Tall](#), [Vanity](#), [Home Office](#) and [Accessories](#) sections of our website to determine the Code Number for each cabinet you are ordering. Please double-check the letters and numbers in each Cabinet Code since the addition or omission of one letter or number could change the cabinet you are ordering.

Exposed and Flush Ends

- Determine if you want the visible ends of your cabinets to be 1/2" Exposed or 11/16" Flush Ends. (See the Options section of your Cabinet Systems Manual for specifications.)
- Choose either option by writing in "L" for left side, "R" for right side, or "B" for both sides under the appropriate column. Please list L, R or B so your Customer Service Representative will know which side(s) you are specifying. If you choose left or right, the opposite side will be the standard 1/2" side for the particular line of cabinets you have chosen. For examples, see the Pricing/Ordering Information section of the Cabinet Systems Manual.
- Cabinets can be ordered with exposed ends on one side and flush ends on the other.
